Since you have entered a phone number located in India, you may experience difficulty receiving a confirmation SMS or may not receive them at all.

The Indian government has placed certain restrictions that may impact the delivery of SMS. These restrictions include the time of day which we may send a confirmation SMS or that your phone number is listed on the "Do Not Call" (DNC) registry. If you are on the DNC, you may have to update your settings. More details about these issues can be found in this [Knowledge Base article](#).

We are sending your verification code to +918883740120. You should receive it shortly.

9. You have to create one ORG to complete the process. Enter one unique ORG name. Then click **Start Free Trial**.

The screenshot shows the 'Pivotal Web Services' interface. The top navigation bar includes the Pivotal logo, the text 'Pivotal Web Services', and a user email 'captrainingjuly2016@gmail.com'. Below this is a progress bar with three steps: 1 SIGN UP, 2 CLAIM YOUR TRIAL, and 3 CREATE ORG (which is highlighted). On the left is a sidebar menu with links: 'Create a New Org', 'Marketplace', 'Docs', 'Support', 'Tools', 'Blog', and 'Status'. The main content area is titled 'Create Trial Org'. It features a text input field labeled 'Org (or Project) Name *' with a red border and a placeholder 'e.g. captrainingjuly2016-org'. Below the input field is a link 'Have a promo code? Click here!'. A blue button labeled 'Start Free Trial' is positioned below the link. To the right of the form, there is explanatory text: 'Organization (org) is a development account that encompasses computing resources, apps, and services. It can be owned and used by an individual or by multiple collaborators.' and 'Set the org name to be the name of the project you'll be working on or the name of your team. Don't worry - you can change this name at any time!'. Below this, a 'Free Trial' section lists benefits: '\$87 credit for app usage to use for up to 1 year', 'Up to 2GB of memory to share across app instances', 'Choice of free marketplace services to try', and 'Unlimited collaborators'. An 'Upgrade at any time for' section lists: 'Access to 10GB of memory at \$0.03/GB hr', 'Premium service plans', and 'Pay for only what you use'.
